A favor done, a favor returned. After all, what are Friends for? Year in and year out, during strong budget years (a distant memory) and lean ones, the Library staff does their very best to provide interesting and helpful materials and programs for all ages. Returning the favor, Friends of Summerville Library do their very best to raise funds for special library projects, advocate for the library in the community, sponsor book clubs at the library, and offer programs above and beyond the library's basic offerings. During the past year the Friends have raised money at three book sales to provided funds towards the purchase of magazine subscriptions, prize books for children who complete the summer reading program, new chairs for the library's computer center, a new laptop computer, and promotional materials such as brochures, posters and bookmarks. The Friends have also sponsored a program with Mary Alice Monroe, and they represented the library at Third Thursdays and Red, White and Blue on the Green. Friends of Summerville Library sponsored a calligraphy workshop at the library, bought books for two book clubs meeting at the library, and provided refreshments for two meet-the-author programs. Your participation and donations to the Friends make a real contribution to our community!
